## Griffith and Junior Award Recipients

Each year the Southern Society for Philosophy and Psychology presents the Richard M. Griffith Memorial Award for papers of greatest excellence, one in philosophy and one in psychology, presented at the annual meeting. Those who have received the Ph.D. during the past five years or who are Ph.D. candidates are eligible to compete for these awards. Prior to 1970, the Society presented Junior Awards. In 1970, the award was referred to as the Richard M. Griffith Memorial Junior Award, because the Richard M. Griffith Foundation provided funds for the award. Since 1971, the award has been called the Richard M. Griffith Memorial Award. The award winners since 1966 have been identified.
